The Architect & Preservation

Economic

Sustainable Solutions

Environmental

Social
Environmental Preservation and
Building Preservation go hand in hand
People are the reason for both Advocacy and Practice.
To preserve the city we need to preserve the landscape
My own story of preservation: Stuttgart

Through Advocacy
Institutional and Grass roots engagement

Through Advocacy
Baltimore’s history preserved

Through practice
Baltimore’s history Preserved: Adaptive Reuse
Baltimore’s history re-purposed
Baltimore’s history
Re-purposed
Baltimore’s history in need.
Hogan’s Demolition Challenge
Challenge: Jail
Challenge: McKeldin Fountain
