# WATER TAXI

Baltimore has been a major American seaport since the 1700s. The city relies heavily upon the natural and historic harbor for transportation and business.

The Baltimore Water Taxi service is utilized by daily commuters and tourists alike.

Our team chose to bring the water taxi to life because it has proved to be a vital part of our city's history and culture.

**OUR TEAM:**

**DR. RACHEL SANGREE**

**AWOENAM MAUNA-WOANYA**

**DANIELA PEREZ**
